Lets All Pedal to Prescott		

DETAILS

POSITIONS/RECOMMENDATIONS

<p>"Let's All Pedal to Prescott" is a project to create a safe, secure and attractive bicycle court at the main entrance of Prescott Elementary School. The project focuses on the existing inadequate bike facility and entry into the Prescott School grounds, which have recently been renovated. The current are is a dirt and gravel mix with an undefined entry, limited lighting, and does not provide a clear connection to the adjacent entry. The current condition does nothing to encourage students to walk or bike to school.</p> <p>This project came from the Prescott School Neighborhood Advisory Committee. The infrastructure improvements that are part of this project are designed to increase bike riding to and from the school and to encourage healthy activities.</p> <p>Ernie Castillo, Urban Development Department, will provide Responsible Charge oversight for this federally funded project.</p>	Sponsor	Urban Development Department
